Appendix II: Techonology Acceptance Questionnaire

---✦---

TABLE 1
Technology Acceptance Questionnaire

Item#	Corresponding dimension	Statement
L1	EC	When I use this system, I don't need to download extra apps
L2	EC	This app allows me to reduce the waiting time for gathering at the entrance
L3	EC	This app can tell me when I can enter a place
L4	EC	This app saves me the trouble of pen and paper signing
L5	EC	This application is very convenient: I can start using it directly after registration
L6	PEOU	It's easy for me to learn how to use this system
L7	PEOU	When entering the venues, the steps to open this application are very convenient
L8	PC	I have no privacy concerns
L9	PC	I am comfortable as long as the information I submit is encrypted
L10	PC	I think the information I fill out is safe to store on the Internet
L11	PR	I feel painful when I am using this system
L12	PR	I feel irritable when I am using this system
L13	PR	I am afraid that even if I use the app, I cannot enter a typical venue
L14	FC	The existing conditions make it very easy for me to start using the application (hardware conditions, software conditions)
L15	FC	No additional equipment is required to use the app
L16	PU	I think this app will make me safe
L17	PU	I think this app can better arrange my personal time
L18	IU	I feel very embarrassed when I am using this app to enter a typical venue
L19	IU	My classmate thinks it is necessary to use the app during this period
L20	IU	My family thinks it is necessary to use the app during this period
